CARE CLINIC

News for our valuable patients

None of our neighbors or their children should ever have to go without healthcare

Serving Summit County and neighboring counties since 1993

Donate Now!

School's OUT for summer... but our doctors are IN!

It feels like summer just started, but it's never too early to plan ahead for the next school year or for other health care needs. *All students and their family members and school staff and their family members can be seen at a School Based Health Center. We offer **medical, dental and behavioral** services at each site below.*

Call us to make an appointment!

- Leadville, 719-486-6981
- Fairplay, 970-977-9624
- Summit Middle School, 970-668-4040

When is the last time you saw a dentist?

If it's been too long since you've seen your dentist, our gentle dental staff would love to see you! In addition to our school sites (see above) and Main Clinic in Frisco, we offer other dental locations to make it easier for you! **Healthy teeth are happy teeth!**

- Lake County Dental in **Leadville**, 719-427-0436
- FIRC in **Silverthorne**, 970-262-3888
- And, in **Fairplay**, you may be able to be seen for dental services at our School Based Health Center. If you are not affiliated with the school, but are a veteran, senior, pregnant mother or mother of children who haven't started school yet, call 970-977-9624 for information.

Hours vary by location, so please call for information and appointments.

We would like to say "thank you!"

We value our patients. Therefore, during the month of July, patients who receive dental services, in combination with a medical visit (CO MDI), will be entered into a drawing to win an electric toothbrush. On August 7th, Patient Appreciation Day, we will draw the winning names! We want to say "thank you" and help you succeed in your healthy routines

at home.

Concert in the Park

Put your dancing shoes on and show your support for the Care Clinic! We are partnering with the Town of Frisco for a "[Concert in the Park](#)" featuring the [Jack Cloonan Band](#) on **August 15th from 5:30 to 7:30 PM** at the **Frisco Historic Park, 120 Main Street!** The event is **free** and refreshment sales benefit the Care Clinic.
